

# The Emily Project

Going for her Girl Scout Silver Award, Emily decided to help The Center for Children & Young Adults (CCYA) by setting up a table outside a local Target and gave customers a list of items she wanted to collect for our youth. In just a few days, she had enough items to fill her mom's SUV twice!

The Emily Project provides a volunteer opportunity to include youth under 18 interested in helping CCYA.

Youth under 18 are not permitted to volunteer on the CCYA campus, with the exception of Santa's Workshop & Midnight Santas. However, youth of all ages are encouraged to sponsor donation drives off campus and offer other great ideas to give back!
